

The Public Health Foundation of Columbia County

Invites You to Special Screenings of
OUT OF REACH

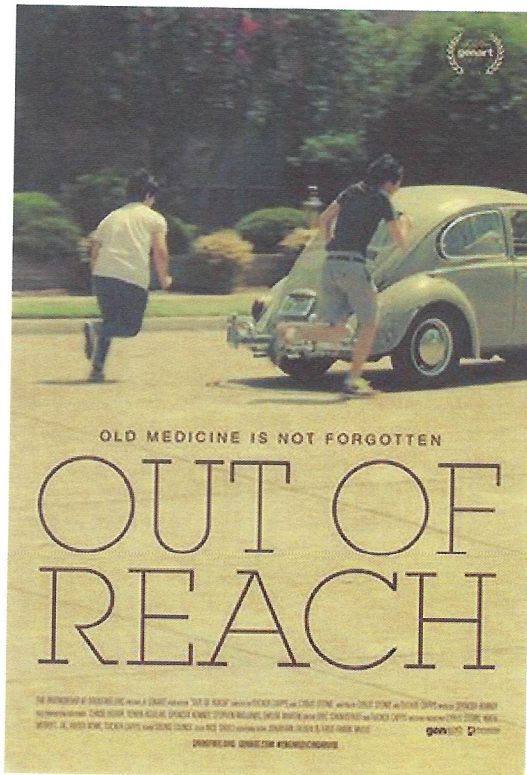

A short-film documentary about a rising high school senior who sets out to uncover the growing problem of teens abusing prescription medicine in his hometown

Followed by a Discussion and Q&A

November, 20th 2017
St Helens Library Auditorium
12:30 pm or 2:00 pm

MODERATOR

Claire Catt
Prevention Coordinator
The Public Health Foundation

Students, parents and community members are invited to learn about safe prescription drug use, storage and disposal. After the short film, we will be having a conversation about how we can keep prescription drugs Out of Reach to prevent abuse and addiction.
